Principles

- Attainable from COSD (or enhanced COSD)
- Keep it simple
- Can be added to on a site specific basis
- Clinically relevant
- Aligned to current indicators and priorities
 - eg Service profiles, CCG dashboards, Nat Audit Local Action Plans

Timetable

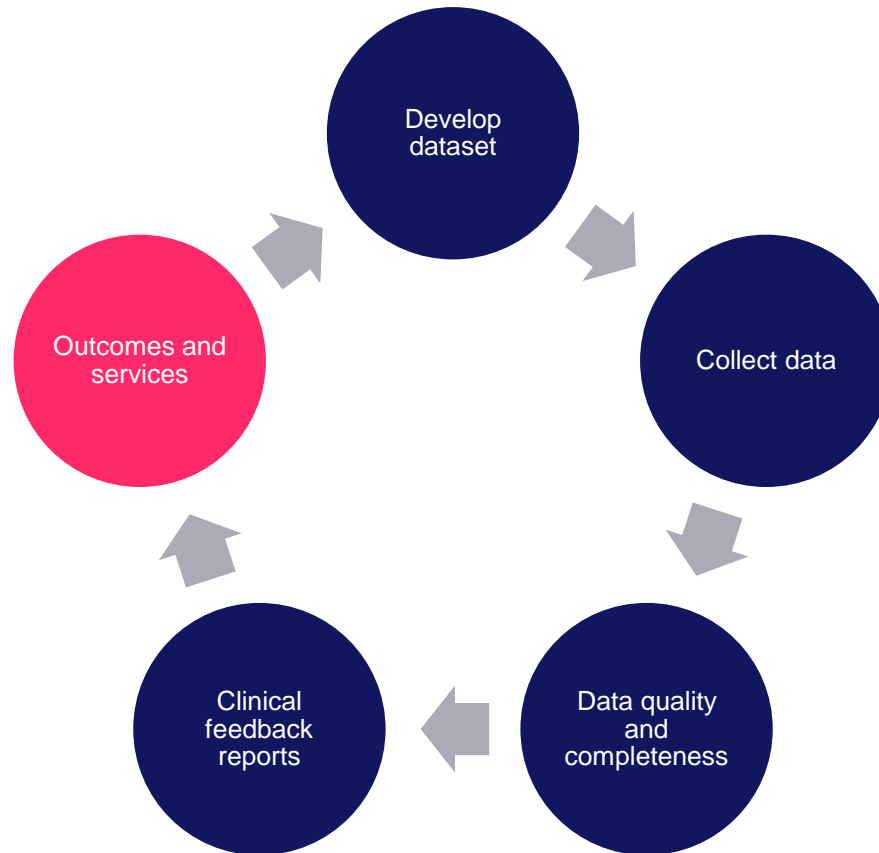

Phase 1 – December 2014

Generic 'common' indicators
2012/2013 data

Phase 2 – 2015

Site specific indicators
Outcome indicators
2013/2014 data

Data for change
