

Public Health England
Central Nervous System SSCRG
Workshop
12th April 2016

Wendy Fulcher
BTRC Founder

## Raising Awareness...

- Brain tumours kill more children & adults under 40 than any other cancer.
- 1% of national spend on cancer research is allocated to brain tumour research
- BTRC funding research at Imperial College since 2004
- £2M invested in laboratory and clinical research

Finding a cure.....
