

Julia Hill.

Julia has been working with the National Cancer Peer Review programme since 2007 and has been acting Deputy National Co-ordinator since November 2009.

Julia's role is to work with and deputise for the National Coordinator in the delivery of the Cancer Peer Review programme. She leads on the development of measures for the Manual for Cancer Services and has responsibility for the development and implementation of the national database Cancer Quality Improvement Network System (CQuINS).

Julia has a background in nursing and has worked within the NHS for a number of years in both nursing and management roles including cancer services.
